FEATURE of The Day

'THE WAR ZONE' 12 Hours In A Florida COVID-19 ICU

On this ward at Morton Plant Hospital, nurses are overwhelmed by the number of new, desperate cases. Medical workers in the Intensive Care Unit try to stabilize a patient who has been battling the virus. From mid-July through August, 43 people died of COVID-19 at Morton Plant Hospital in Clearwater. More than 75 percent of them were unvaccinated. She gets to the hospital 20 minutes before her shift, walks through the lobby carrying a smoothie, hoping -- but not believing -- that today might be better than the day before. When she steps off the elevator on the second floor, she turns left, toward what used to be the Intensive Care Unit. Since mid- - [more...](#)
